

Innovad® is a global leader in animal nutrition, providing high quality and scientifically supported premixtures, complementary feed and on farm solutions.

At **Innovad**® we combine people's long-time experiences in the field of animal feed and water additives with an innovative approach and dedication to animal well-being and a healthy environment. At the same time, we secure cost effectiveness for the producer.

Because of our growing activities, for our office in Essen, we are looking for:

QC LAB ASSISTANT

You are part of our QC team and responsible for the quality control of incoming raw materials and finished products within a predetermined time frame.

You take samples from bulk trucks, perform sensory-physical checks (colour, appearance, odour). You perform analyses with GC, HPLC, FTNIR and physicochemical tests. You ensure a correct interpretation of the results and report on this internally.

You check and evaluate raw materials of new suppliers. You follow the monitoring plan for raw materials and end products and send samples to external labs for this purpose, as well as interpreting and processing the results.

You are also co-responsible for the calibration and maintenance of the analysis equipment.

Profile:

Independence, responsibility, flexibility, accuracy and work ethic are your basic qualities

- Bachelor's degree in chemistry, biochemistry, ... or equivalent by experience
- Flexible with regard to both job content and working hours (rotation system in terms of starting hours)
- You work accurately and in a structured way
- You can communicate well in Dutch and English
- You are an aspiring team player who has no problem working independently
- You have a healthy dose of initiative and look at things from a critical point of view
- You are motivated, communicative and solution oriented

Offer:

Very variable function in a challenging and rewarding environment, early start date, career opportunities, competitive salary package with excellent benefits: meal vouchers, ADV days, flexible working hours, group and medical insurance etc.
